

## Showers

The following product has been registered according to the requirements of the WELS standard (AS/NZS 6400:2016 Water efficient products—Rating and labelling).

|                                           |                            |
|-------------------------------------------|----------------------------|
| WELS registration number                  | S10399                     |
| Licence Number                            | 1558                       |
| Brand                                     | fluso                      |
| Model name                                | OZB-C4-C                   |
| Model code                                | OZB-C4-C                   |
| Subtype                                   | Combination Multiple heads |
| Does the shower have a diverter?          | Yes                        |
| Is the hand shower                        | Single function            |
| Is the overhead shower                    | Single function            |
| Is the overhead shower                    | Fixed arm                  |
| How many flow controllers does the shower | Two                        |
| Controller one location                   | Hand shower                |
| Controller two location                   | Overhead shower            |

### Showerhead with highest nominal flow rate

|                              |                     |
|------------------------------|---------------------|
| Nominal flow rate            | 7.41                |
| WC to appear on label        | 7.5                 |
| Water efficiency star rating | 3 (> 6.0 but ≤ 7.5) |

### Showerhead with lowest nominal flow rate

|                              |  |
|------------------------------|--|
| Nominal flow rate            |  |
| WC to appear on label        |  |
| Water efficiency star rating |  |

|             |            |
|-------------|------------|
| Status      | Expired    |
| Expiry date | 15/08/2017 |
