

## Showers

The following product has been registered according to the requirements of the WELS standard (AS/NZS 6400:2016 Water efficient products—Rating and labelling).

|                                           |                                                                               |
|-------------------------------------------|-------------------------------------------------------------------------------|
| WELS registration number                  | S17621                                                                        |
| Licence Number                            | 1770                                                                          |
| Brand                                     | Meir Australia                                                                |
| Model name                                | Round Combination Shower                                                      |
| Model code                                | MZ0704                                                                        |
| Variants                                  | Colour/finish, Hand-held holder, Handle, Shower arm, Shower hose, Shower rail |
| Subtype                                   | Combination Multiple heads                                                    |
| Does the shower have a diverter?          | Yes                                                                           |
| Is the hand shower                        | Multi-function                                                                |
| Is the overhead shower                    | Single function                                                               |
| Is the overhead shower                    | Fixed arm                                                                     |
| How many flow controllers does the shower | Two                                                                           |
| Controller one location                   | Hand shower                                                                   |
| Controller two location                   | Overhead shower                                                               |

### Showerhead with highest nominal flow rate

|                              |                      |
|------------------------------|----------------------|
| Nominal flow rate            | 7.82                 |
| WC to appear on label        | 9.0                  |
| Water efficiency star rating | 3 (> 7.5 but <= 9.0) |

### Showerhead with lowest nominal flow rate

|                              |                      |
|------------------------------|----------------------|
| Nominal flow rate            | 7.66                 |
| WC to appear on label        | 9.0                  |
| Water efficiency star rating | 3 (> 7.5 but <= 9.0) |

|             |            |
|-------------|------------|
| Status      | Ceasing    |
| Expiry date | 22/07/2024 |
